

# Lit in Colour

**Winners of 100 books to support our literacy curriculum!**

## **What is Lit in Colour?**

Lit in Colour was created in 2020 by Penguin Books UK and race equality think tank, The Runnymede Trust.

Penguin Books UK mission statement is `we make books for everyone, because a book can change anyone`, yet we know that barely any young people are being given the opportunity to read and study books by Black, Asian and minority ethnic writers. Through Lit in Colour their aim is to support schools in the UK to make the teaching and learning of English literature more inclusive and by providing practical support including book donations, free teaching resources and more.

Following our recent successful entry into the Lit in Colour 100 book giveaway, we are excited to announce that BAPA are winners and have won 100 books for our sites. Here our Jesse Street pupils and staff are captured enjoying these amazing resources.
